NATIONAL FIRE ACADEMY OFF-CAMPUS COURSE

Youth Firesetter Intervention Specialist

Course Description

This two-day course is based on requirements of National Fire Protection Association (NFPA) 1035, Standard on Fire and Life Safety Educator, Public Information Officer, Youth Firesetter Intervention Specialist and Youth Firesetter Program Manager Professional Qualifications. This course provides students with a broad understanding of the knowledge, skills and abilities that the Youth Firesetter Intervention Specialist should have as requirements of NFPA Standard 1035 pertaining to youth firesetting. This course is for the practitioner who provides services at the program delivery level.

Student Qualifications (Primary and Secondary Audience)

Students either have or will have responsibilities as the practitioner who provides services at the program delivery level. This includes the person who is responsible for the identification, intake, screening, educational intervention, follow-up, and evaluation of the program services and results.

Course Scope (Goal)

The goal of this course is to Empower learners with the knowledge, skills and abilities to perform the job performance requirements of a Youth Firesetter Intervention Specialist as outlined in the National Fire Protection Association Standard 1035.
